

**Euan S. Thomson, Ph.D.**  
**President and Chief Executive Officer**

Euan Thomson has served as Accuray's president and chief executive officer since March 2002. Thomson is recognized as an international expert in the field of radiation therapy, with nearly 20 years experience in research, clinical practice, consulting and corporate management.

Prior to joining Accuray, Thomson served as president, CEO and a member of the board of directors for Photoelectron Corporation, a manufacturer of miniature x-ray technology for medical and industrial markets. At Photoelectron he led product diversification and negotiated strategic partnerships with international market leaders such as Carl

Zeiss and Cordis Corporation, a Johnson & Johnson Company.

Thomson holds bachelor's, master's and doctorate degrees in physics and radiation physics from the University of London.

**Eric P. Lindquist**  
**Senior Vice President, Chief Marketing Officer**

Eric Lindquist is a senior vice president and the chief marketing officer of Accuray. He has more than 22 years experience in the medical devices and technology industries.

Previously, Lindquist served as senior vice president of marketing at Omnicell Inc., a hospital automation company. Prior to this, Lindquist was president of BrainLAB, Inc. where he founded the high-growth North American subsidiary and built a sales, service, and operations infrastructure. Earlier in his career, Lindquist served for more than 14 years in engineering and product management at Varian Medical

Systems. While at Varian, he was instrumental in developing multileaf collimator and intensity-modulated radiation therapy (IMRT) technology and capability.

Lindquist earned a bachelor's degree in mechanical engineering from Washington State University, a master's degree in mechanical engineering from Stanford University, and a master's degree in business administration from the Haas School of Business at the University of California at Berkeley.

**Derek Bertocci**  
**Senior Vice President, Chief Financial Officer**

Derek Bertocci has served as chief financial officer for Accuray since January 2009.

Prior to joining Accuray, Bertocci served as chief financial officer and secretary for BioForm Medical Incorporated, a medical aesthetics company. Prior to this, Bertocci was chief financial officer of Laserscope, a provider of lasers and fiber optic devices for urology and aesthetic surgery. Earlier in his career, Bertocci held several positions, including chief financial officer, at VISX, a leading provider of systems used in laser vision correction surgery.

Bertocci earned his Certified Public Accountant (CPA) certification while working for PricewaterhouseCoopers.

Bertocci earned a bachelor's degree from Stanford University and a master's degree in business administration from the University of Southern California.
